

***** **Public Star Parties** *****
2010 Schedule

* **The Delaware Valley Amateur Astronomers** *

Come see the Universe as few on earth have ever seen it!

*Use a variety of telescopes and binoculars to look for **planets** **moons** **constellations** **nebulae**
*galaxies** star clusters** comets** meteors** satellites** double stars** and more !**

*Star Parties are a public service of the DVAA and are **FREE! No Admission Charge!!***

* **Location:** Valley Forge Historical National Park -- Model Airplane Field

* **When:** The following nine Saturday Evenings during 2010.

	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov
Date	27	24	22	19	17	21	18	16	13
Time	7:30	8:00	8:30	8:30	8:30	8:00	7:30	6:30	5:00
Sunset	7:19	7:47	8:14	8:32	8:28	7:50	7:06	6:21	4:46

Star Parties end ~2 ½ hours after starting time.

* **Easy Directions From Rt. 202:**

Rt. 252 North from Rt. 202 at Devon exit - go exactly one mile
 Make sharp left onto dirt/stone road (just after PA Turnpike overpass)
 Look for telescopes set up on grass. Park on dirt/stone road only.

* **Easy Directions From Rt. 23/Rt. 422:**

Rt 23 around the park
 Make a left turn at the traffic light on Rt 252.
 Follow road through the park to the field. If you pass over PA Turnpike, Turn Around!
 Look for telescopes set up on grass. Park on dirt/stone road only.

Note: Novice stargazers are often surprised at how *cold* they get while observing.

For your own comfort and enjoyment, please remember to **dress warmly!**

Cancellations: Star Parties are **NOT** held if there are clouds, rain, etc. Hope for clear skies!
